Kroykorn-Gourmet Popcorn

The registration bags distributed at the National Executive Board included a sample of popcorn,

This was a tasty sample, custom made, for Eta Phi Beta Sorority, Incorporated with our “red and gold” colored popcorn compliments of Gamma Chapter.

Master Kroy Richardson, an energetic autistic nine year old native of Atlanta, Georgia, who has such a love for popcorn, created his own brand with the help of his mom.

Reflections from Northern Region Director, Tara Roberson

In March of 2023, it was an honor and a privilege for Alpha Pi Chapter of Milwaukee, Wisconsin to host the Grand Executive Board Meeting. Even though I have been a member for almost 20 years, I have never been involved in the planning of anything on the Grand Level and it was truly a learning experience as well as rewarding.

I was truly fortunate to have a wonderful and efficient team comprised of Sorors from the Northern Region and Grand Chapter that assisted with planning and execution of this project. Without the support of this strong team and experience of the leaders within the team, it could not have been accomplished. I owe a special

thanks to the following Sorors. First, my conference Chairperson Soror Mahalia Kirk, who worked tirelessly to ensure the best hotel was selected along with making sure done according to protocol. Soror Kirk was my front-runner in Milwaukee, along with the Chapter Basileus, Soror Terese Robinson. I also owe an enormous thanks to my two Northern Region Officers that assisted at all planning meetings and were there for my every need Sorors Sandra Walker of Gamma Chapter and Soror Robbie Rhodes of Alpha Chapter. Then there was my eternal mentor and leader who is always there to assist and provide guidance, President Loretta Kirk Adair. Also, from the Grand Executive Board of course Sonda Bradfield our Grand Basileus and Soror Maude Holt and Soror Linda Dove McIntyre were there to assist and give guidance through the process. There were many other Sorors who helped, but these Sorors were the core team that made this meeting materialize for you in Milwaukee.

I would like to reiterate that it was a pleasure and honor to host the Grand Executive Board Meeting, which was our Grand Basileus first Grand Meeting. It was truly a learning experience for me and I hope that all members had an enjoyable time, meaningful experience, and left inspired.
