

BB Bradfield Brief

August is a month filled with possibility and potential. While it can be bittersweet to say goodbye to summer, it's also a time to reflect on the past and set intentions for the future.

August Trivia

- Along with July, August is one of two calendar months to be named after people who really lived (July was named for Julius Caesar and August was named for Augustus).
- Only one US President has died in August, Warren G. Harding, on August 2, 1923.
- August's flower is the Gladiolus with the birthstone being peridot.
- The astrological signs for August are Leo (July 22 - August 21) and Virgo (August 22 - September 21).
- August is the second of two months beginning with 'A', the other being April, with both April 21 and August 21 falling either side of the Northern summer solstice.

“NOT FOR OURSELVES, BUT FOR OTHERS”

What a team, What a team, what a mighty great tech team!

The world today is characterized by technological advancement and digital migration. Where would we be without it?

Imagine this: You wake up one day in a world without technology – all the computers on the planet just disappeared. We would be in utter chaos.

Fortunately, Eta Phi Beta Sorority, Incorporated is blessed with a talented, gifted, professional, informed technical team, lead by Sorors Lisette Williams and Dr. Michelle Chapple.

Together, they make the hard work and expertise of coordinating and planning our meetings, workshops and events appear seamless and effortless. They work hard, they work long hours, they work with a smile and they are the best. Hats off to our efficient tech team!

NATIONAL COUNCIL OF NEGRO WOMEN, INC. & VACCINATE YOUR FAMILY

The focus of the Educational and Charitable Foundation of Eta Phi Beta Sorority, Incorporated is to provide educational, economic, and charitable programs and contribution to the community. Biennially, we offer financial support and services to charitable organizations with a current 501c3 status with the Internal Revenue Code.

During our Biennial Boulé, nine charitable organizations and two special interests groups were chosen as this year's recipients of \$2,000 each. Those organizations are: Sister's Network of Greensboro, NC, The Jamaica Project, JP Jumpers, Zoe's Dolls, America Red Cross of Alabama and Mississippi Detroit Hives, ARC of Palm Beach, ARC of Los Angeles and Orange Counties, and Ben's Place Services. The special interest groups UNCF and NAACP were also recipients of \$2,000 each. These organizations differed greatly in their services to their respective communities; but all are providing services that align to the ideals and mission of our Educational and Charitable Foundation.

Getting the Benefit of the Overflow

Immediately following Boulé, three dozen pairs of flip flops, courtesy of Grand Director of Education Kimberly B. Shoulders, were donated to the Jamaica Project to be distributed at the upcoming mission trip to Jamaica.
